

# Lilly Barrack

## ARTIST STATEMENT:

Lilly Barrack has been designing and crafting jewelry for over 20 years. Each of her pieces is individually hand-forged at her studio from distinctive, heavy gauge .925 sterling silver with solid 14K gold accents. Every stone she uses is handpicked, and only a limited number of each design is produced in order to ensure every piece is truly unique. Her fondness for gemstones in their natural form and hand-forged silversmithing has given her designs a free spirited effect. Lilly's designs are geometric and simple, yet wonderful original works of art filled with expression and power.
