

Claywood Creations

ARTIST STATEMENT:

Jerry Krider designs and handcrafts puzzles and sculptural pieces, using a wide variety of wood for contrasts and harmony within each item. To showcase the intriguing nature of the wood, he creates simplified shapes and flat surfaces with his scroll saw and completes each piece with a clear lacquer finish. Religious themes, including nativity scenes and Christmas ornaments, highlight a large portion of his work, which also includes whimsical pieces featuring human figures, animals, and hearts.
