

## D and Me

### ARTIST STATEMENT:

Don and Mary Hurley's cottage industry began in the early 1970's when their children were small and needed toys that were built to last and yet provide hours of play time. Don uses mixed hardwoods with a natural, child-safe oiled finish to construct these classic toys. The colored pieces are finished with a non-toxic toy enamel. D and Me toys are meant to be used and played with, then treasured for the next generation.
