

Heartwood Creations

ARTIST STATEMENT:

Since 1978, Heartwood Creations has been creating finely crafted wooden boxes for every occasion. Their works are shown in many of the finest craft shops and galleries the world over. While the company has grown and has created many new products, the Secret Box with its sliding dovetail lid remains their trademark. The small heart that is burned on the back of each box is their craftsman's mark that signifies their care and love of woodworking.
