

Jonathan's Wild Cherry Spoons

ARTIST STATEMENT:

Jonathan S. Simon's collection of handcrafted wood utensils has evolved over 38 years of experimentation. Along with the wooden spoons he started with, he offers spatulas, tongs, spaghetti forks, and many other kitchen tools designed with the user's hand and purpose in mind. His designs are crafted by hand with balance and usefulness in mind.

They are cut from select cherry wood and carefully sanded so they are smooth and soft, with beautiful finishing touches.
